

Presentations by Mette Pedersen

Peer reviewed journals, at peer reviewed conferences, and by invitation:

Worsoe-Petersen 1970

Worsøe-Petersen J, Pedersen M (1970). Comparison of the results of X-irradiation and supervoltage irradiation. *Joint symposium of cancer of the nose and paranasal sinuses. Copenhagen.*

Pedersen 1972

Pedersen M , Boberg A (1972). Stemmefunktions undersøgelser af patienter med recurrens parese i en 4-årig periode. *XVIIIth Scandinavian congress otolaryngology.*

Pedersen 1973

Pedersen M Fog, Boberg A (1973). Stemmefunktions undersøgelser. *Dansk otolaryngologisk selskab*

Boberg 1973

Boberg A, Pedersen M (1973). Undersøgelse af stemmefunktionen før og efter strumectomi. *Dansk otolaryngologisk selskab.*

Pedersen 1975

Pedersen M (1975). Clinical investigations of patients with benign tumors of the larynx before and after microlaryngoscopy. *XVth congress International Association Logopedics and Phoniatics, and Dansk otolaryngologisk selskab.*

Pedersen 1975

Pedersen M (1975). Electroglottography compared with synchronized stroboscopy in normal persons. *Leeds VIIIth International Congress of Phonetic Sciences.*

Pedersen 1975

Pedersen M , Jensen LTH (1975). Stemmeundersøgelser af 1. års seminarieelever. *Dansk otolaryngologisk selskab.*

Pedersen 1976

Pedersen M (1976). Fonasteni, ætiologi og symptomer. *Dansk foniatrisk selskab*

Pedersen 1976

Pedersen M (1976). Electroglottography with synchronized stroboscopy in students of music. *World Congress of Phoneticians, Tokyo.* [Download PDF](#)

Pedersen 1976

Pedersen M (1976). Examination of the development of formants in schoolboys. *XVIIth Congress International Association Logopedics and Phoniatics.*

Pedersen 1978

Pedersen M (1978). Hæshed hos børn fra Københavns kommunale skolevæsen. *Dansk otolaryngologisk selskab.*

Pedersen 1980

Pedersen M , Eriksen K, Heramb S (1980). A follow up study of patients with voice disorders. *XVIIIth Congress International Association Logopedics and Phoniatic.*

Pedersen 1981

Pedersen M , Kitzing P, Krabbe S, Heramb S (1981). The change of voice during puberty in 11 to 16 years old choir singers measured with electroglottographic fundamental frequency analysis and compared to other phenomena of puberty. *XXIth Scandinavian Congress oto-laryngology.*

Pedersen 1981

Pedersen M , Munk E (1981). Register examination during mutation of boys in the Copenhagen boys choir Comet (=collegium medicorum theatri).

Pedersen 1981

Pedersen M , Heramb S (1981). Optagekriterier til Københavns drengekor. *XXIst Scandinavian Congress oto-laryngology.*

Pedersen 1982

Pedersen M (1982). Androgen status sammenholdt med grundfrekvens og elektrolotografisk analyse af registre hos kordrenge. *Union of European Phoniaticians, og dennes arbejdsgruppe for elektrolotografi.*

Pedersen 1983

Pedersen M (1983). Stemmeproblemer hos korbørn. *Dansk selskab for logopædi og foniatri samt dansk otolaryngologisk selskabs kursus i stemmelidelser.*

Pedersen 1983

Pedersen M , Munk E, Bennett P, Møller S (1983). The change of voice during puberty in choir singers measured with phonetograms and compared to androgen status together with other phenomena of puberty. *Xth International Congress Phonetic Sciences*

Gramming 1983

Gramming P, Pedersen MF, Kitzing P (1983). Datoriserade fonetogram för objektivering av röstfunktions störningar. *Läkarastämman Stockholm.*

Pedersen 1983

Pedersen M , Munk E, Kitzing P (1983). Sangkvalitet, musikalsk toenomfang, vurderet i forhold til fonetogrammer og androgen status i puberteten hos kordrenge. *Dansk otolaryngologisk selskab*

Pedersen 1984

Pedersen M , Møller S, Krabbe S, Munk E, Bennett P, Kitzing P (1984). Change of voice in puberty in choir girls. A crosssectional study of electroglottographically measured fundamental frequency in reading compared with phonetograms, pubertal stages and endocrine analysis. *XXIInd Scandinavian congress oto-laryngology*

Pedersen 1984

Pedersen M , Møller S, Krabbe S, Munk E, Bennett P, Kitzing P (1984). Change of voice in puberty in choir girls. A crosssectional study of electroglottographically measured fundamental frequency in reading compared with phonetograms, pubertal stages and endocrine analysis. *XXIInd Scandinavian congress oto-laryngology*

Pedersen 1984

Pedersen M (1984). Phonetograms and electroglottography applied to male pubescent voices. *Union of European Phoniaticians*

Pedersen 1985

Pedersen M (1985). Fonetogram udvikling hos piger. *Dansk foniatrisk selskab*

Pedersen 1985

Pedersen M (1985). Fonetogram udvikling hos piger. *Dansk foniatrisk selskab*

Pedersen 1985

Pedersen M , Møller S, Eriksen K, Søndergård K (1985). Quantitative and qualitative diagnosis of children with voice disorders. *XIIIth International Congress otolaryngology*

Pedersen 1985

Pedersen M , Møller S, Krabbe S, Bennett P, Munk E (1985) . Phonetograms in male puberty in choir boys compared with hormonal development. *Congress of European Phoniaticians.*

Pedersen 1986

Pedersen M (1986). Fundamental frequency and phonetograms in male and female puberty. *Forsknings seminar, Huddinge Sjukhus, Stockholm.*

Pedersen 1986

Pedersen M, Lindskov Hansen H (1986). Averaged computerized phonetograms during puberty in boys and girls. *Tokyo. XXth congress International Association Logopedics and Phoniatics.*

Pedersen 1987

Pedersen M, Møller S (1987). A transport globulin, serum hormone binding globulin, as a predicting factor of voice change in puberty? *Xth International Congress Phonetic Sciences.*

Hacki 1988

Hacki T, Pedersen M , Loebell E (1988). Measurement of singing voice fields with speaking voice fields in boys in adolescence. *Voice Symposium New York.*

Pedersen 1988

Pedersen M , Seidner W, Wendler J (1988). Collection and processing of voice field data, methodical approaches. *Union of European Phoniaticians*

Pedersen 1988

Pedersen M , Hacki T, Loebell (1988). Videostroboscopy of choir boys in adolescence. Film. *Voice symposium New York.*

Pedersen 1989

Pedersen M, Behrend W (1989). A comparison of phonetograms in Thomaner choir Leipzig and Copenhagen boys' choir. *Voice symposium New York*

Pedersen 1990

Pedersen M (1990). A pilot study of voice in young brain damaged people. *Bad Rappenau, Germany. III Kommunikationstage.*

Pedersen 1991

Pedersen M (1991). Die biologische Entwicklung der Stimme in der Pubertät (Hauptvortrag). *Detmold. Hochschule für Musik. Germany. III Jahreskongres. Bund der Deutschen Gesangpädagogen.*

Pedersen 1991

Pedersen M (1991). Phonetograms during radiation therapy in patients with cancer of the vocal cords. *Kiev Ukraine. Union of European Phoniaticians.*

Pedersen 1992

Pedersen M, Christensen AL (1992). A study of phonetograms in young brain damaged people. *XXIIth congress International Association Logopedics Phoniatics.*

Krushevskaja 1992

Krushevskaja I, Pedersen MF, Janzik H (1992). Phonetograms of radiated voices in Chernobyl. *XXIIth congress International Association Logopedics Phoniatics.*

Bühning 1992

Bühning G, Pedersen M (1992). Fractal dimensions of phonetograms, a stratified and longitudinal pilot study during development of male voices. *XXIInd congress International Association Logopedics and Phoniatics.*

Truuverk 1992

Truuverk C, Pedersen M (1992). A pilot study of phonetograms compared with menopausal estrogens and androgens in 4 sopranos in World festival choir. *Abstract XXIIInd congress International Association Logopedics and Phoniatics.*

Pedersen 1992

Pedersen M, Christiensen AL (1992). A study of phonetograms in young brain damaged people *Proc XXIIInd congress International Association Logopedics and Phoniatics no 7.*

Pedersen 1995

Pedersen M, Frøkjær-Jensen B, Pabst F, Schutte HK, Hacki T, Lindskov Hansen H (1995). Standardizing phonetography. *Proc XXIIIrd congress International Association Logopedics Phoniatics: 4145*

Pedersen 2000

Pedersen M, Hansen HL (2000). A prospective randomised double blinded study of phonetograms using dB(A) vs dB(C). *Proc IXth European Congress otorhino-laryngol, head and neck surgery: 102327.*

Pedersen 2001

Pedersen M (2001). Systematic voice analysis/treatment – experience from skull base disorders. *5 th European Skull Base Society Congress (Copenhagen), by invitation.*

Pedersen 2001

Pedersen M, Benini A. (2001). A project presentation for a European Union medical voice and speech learning program. *22nd Congress of the Union of the European Phoniaticians (Frankfurt).*

Pedersen 2002

Pedersen M (2002). A Cochrane review update on vocal cord nodules. *VIth International Voice Symposium, Salzburg.*

Pedersen 2002

Beranova A, Pedersen M (2002). Treatment of Dysphonia – medical versus voice therapy approach – A Prospective randomised pilot study. *IVth Congress of the European Laryngological Society, Brussels.*

Pedersen 2002

Pedersen M, Benini A, Froekjaer-Jensen B (2002). A European Union learning project for measurement and methods of voice and speech disorders. *8th International Congress of Paediatric Otorhinolaryngology, Oxford.*

Pedersen 2002

Pedersen M, McGlashan J (2002). Surgical versus non-surgical interventions for vocal cord nodules, a Cochrane Review. *8th International Congress of Paediatric Otorhinolaryngology, Oxford.*
